

Magness Lindsey

Graphic Designer

15211 Antler Creek Drive, San Antonio | 210-882-8109
mklindsey160@gmail.com

Graphic Designer seeking a position within a reputable organization to utilize and hone skills in Photoshop, InDesign, and Illustrator. Or find Opportunities in Computer Science and Database Administration.

Professional Experience

- June 2023 - August 2023

Video Editor

TMDA Exhibits, San Antonio, Texas

Transform raw clips and video footage into high-quality finished videos used to inform, engage, and inspire their audience. Use specialized software applications and editing tools to merge content from multiple sources and add pictures, graphics, visual effects, voice, sound effects, and music.
- August 2021 - May 2023

Graphic Designer

University of Mary Hardin Baylor, Belton, Texas

Created various forms of communication, including web pages, brochures, logos, labels, and ads. Engaged with clients to gather their requirements and create designs that reflected the clients' intended message to their target audiences.

Education

- August 2021 - Present

Multi-Media and Information Technology in Business

University of Mary Hardyn Baylor at Belton, Texas

Multimedia & Information Technology majors explore in-depth technology, business, and information design and become fully adept at bringing them all together. Majors and minors study business best practices and project planning throughout their courses in web site design, interactive multimedia, social media, e-commerce, digital video editing, 3D modeling/animation, and desktop publishing.
